Sample wording of a Certificate (please keep this format in mind as you answer the following questions):

This is to Certify that on March 20, 2010, Joe Rider rode a Yamaha FJR1300 a total of 1624 gruelling kilometres in less than twenty-four hours starting in Durban - KwaZulu Natal continuing onto Port Edward back past Durban and up to Pongola; travelling back to Durban and up to Harrismith – Freestate before ending back in Westville – KwaZuluNatal while participating in the 1600K Ride.

Name of start city: _____

Note: for the ****certificate**** you may substitute a large city nearby if you want); for example, if you start in Musgrave, in KZN (a suburb of Durban), it is acceptable to put Durban as the starting point for the certificate.

Your certificate will highlight up to three cities as midpoints. Please list UP TO THREE cities/towns that helps highlight your route for your certificate:

Note: Some of these cities may be listed on your certificate and the same Guidelines apply to these cities as noted above. For example, we might want to say, Joe Rider started in Pretoria - Gauteng continued onto Bloemfontein - Free State before ending his ride in Richards Bay - KwaZulu Natal.

Please note that this is only an attempt to make your certificate more readable - do not stop 100 kilometres short of Mooiriver, KwaZulu Natal and expect us to create a certificate that reads Mooiriver.

Finally, you must certify that what you are telling us is accurate:

I (print name): _____, hereby certify that the statements in this application for certification are true to the best of my knowledge and belief.
